

A few weeks since a railroad collision on one of the roads leading out of New York killed, among others, a passenger living in an interior town. His remains were sent home in good shape, and a few days after the funeral the attorney of the road called upon the widow to offer a settlement. She placed her figures at \$20,000.

"Oh that sum is unreasonable," replied the attorney. "Your husband was nearly 60 years old."

Yes, sir."

"And lame?"

"Yes."

"And his general health was poor?"

"Quite poor."

"And he probably would not have lived over five years."

"Probably not, sir."

"Then it seems to me that two or three thousand dollars would be a fair compensation."

"Two or three thousand?" she echoed. "Why sir, I courted that man for ten years, run after him for ten more, and then had to chase him down with a shotgun to get him before a preacher! Do you suppose that I'm going to settle for the bare cost of shoe leather and ammunition?" — *Wall Street News*.

The Wonderful Efficacy of DR. SCHENCK'S MANDRAKE PILLS

It has been so frequently and unceasingly proven that it seems almost impudent to say anything more in their favor. The immense and constantly increasing demand for them, both in this and foreign countries, is the best evidence of their value. Their sale today in the United States is far greater than ever before, and continues to increase. This demand is not confined to us, but extends to all countries. It is not to-day or yesterday. It is an increase that has been steadily growing for the last thirty-five years. What are the reasons for this great and growing demand?

Dr. Schenck's Mandrake Pills contain no mercury, and yet they act with wonderful effect upon the skin, hair, bones, teeth, glands, and all the vital organs of the body, whether it allows to remain, poisons the blood, and cures on Malaria, Chills and Fever, and many other diseases. They give health and strength to the system, and especially to the heart, lungs, kidneys, liver, spleen, and brain. They exert a powerful influence upon the eyes and give vision to the whole system. They are in fact the medicine of all others which should be taken in time like the present, when moderation and carelessness have given the system the opportunity to resist attacks of disease of every character.

Dr. Schenck's Mandrake Pills are sold by all druggists at 25¢ per box, or sent by mail, postpaid, on receipt of price.

Dr. Schenck's Book on Consumption, Liv-ing and Complaints, and Desperadoes, in English or German, is sent free to all. Address Dr. J. H. SCHENCK & SON, Philadelphia, Pa.

that pour in upon us from this great wide and progressive country. Right here in your section it is being used extensively and many can testify to its wonderful properties.

The wrappers are waxed and can be used for smoothing the surface of your hand-irons, giving them a polish and smoothness, that will greatly assist in giving your clothes a finished look.

Remember this Soap is cheaper than any other in the market, and yet does all we claim for it.

TRY IT.

Save your health, Save your time, Save your patience, By using this Soap. No unpleasant odor.

No sickness as the result of a hard day's wash.

No hot water, No wash boiler but clothes nice and white and as fragrant as new mown hay.

TRY IT.

DAY'S SOAP SOULD OR HARD RUBBED REQUIRED.

Wash-day has no terrors for the household where DAY'S SOAP is used, no unpleasant and sickening odors to fill your houses, no laborious rubbing on the wash-board, while the washing can be done in one-half the time necessary by following the old worn-out method.

MAIDAM—for it is to the ladies we desire to speak more especially—you are the interested person in this matter; you it is that suffers the ills arising from the wash tub and its heavy cares; you it is to whom the perplexities and responsibilities of the household rightfully belong, and you it is that should interest yourself in trial of the qualities of this soap, that has always proven itself to be a boon of salvation

TO SUFFERING HUMANITY.

We do not come to you with a plausible story calculated to have you try it, simply for the amount of money such a sale would bring us; we do not come to you as irresponsible parties, who have no reputation to suffer calumny, but we do present to you this brand of soap upon an absolute guarantee and recommendation of a well-known industrial establishment of Philadelphia, of sixteen years' existence. Do you suppose for a moment it would compensate us to make false statements to you and ruin our well-earned reputation? No, dear reader; what we say about DAY'S SOAP is the truth, and it is sustained by the evidences of thousands of housewives from all over the country, besides which we stand ready to endorse it all with ready cash. TRY DAY'S SOAP to the Original and Only Patented.
